

Swimming Instructor

o Management career potential

o Work close to home

o Casual position – on average 7 ½ - 10 hours per week

Your environment:

Swim Fit aims to develop “learn-to-swim” on the Sunshine Coast to its full potential; making learning to swim and water safety an enjoyable, safe way to learn. Now is the time to be part of such an important and rewarding opportunity.

Your opportunity:

Join the Swim Fit Team and be part of the development of strong and safe swimmers with a healthy respect for the aquatic environment.

You will be involved in:

- Developing creative ideas for programs
- Educating students on water safety
- Developing the swimming ability of children aged from 6 months upwards

All about you:

- You have a passion for teaching children
- Warm, patient nature

- Full of fun, good class control & ability to work unsupervised
- Confident swimming abilities
- You will be required to undergo a working with children check
- Experience and Instructor qualifications preferred but not necessary

In return

You will be offered above award rates, and ongoing training.
